TELL US ABOUT YOUR CURRENT ROLE AT THE INSTITUTE OF DENTISTRY

As the Electronic Resource Manager, I am responsible for the development and maintenance of a number of core learning and support systems including QM Plus, Q-review, LiftUpp (Timetable, Managing iPads, Outreach visits), various eLearning projects, technical training, academic support and assistance.

WHAT HAVE YOU ENJOYED MOST ABOUT WORKING AT THE INSTITUTE OF DENTISTRY?

Working with the people at IOD are the most enjoyable part as they are all very friendly and have good team spirit. After 30 years, I am glad the good spirit persists even though the institute has been through some turbulent times. I am also proud of the new building now.

TELL US SOMETHING WE DO NOT KNOW ABOUT YOU

Trying to reduce weight, eat more healthy food and do more exercise - It's not working.
